## To Our Customer-Friends

We have again mailed to you an up-to-date copy of our catalog, with the hope that thru ordering and planting some of these fine GLADIOLUS, you will enjoy gardening as never before. In many cases, prices have been advanced to cover our increased growing costs; however we still feel that our customers will consider these bulbs exceptionally priced, quality and results considered.

If you want to be certain of everything on your list, it would be an excellent idea to place your orders early. We have had the heaviest buying (large wholesale lots) during the month of December that we have ever experienced. Naturally, we are looking forward to an increased volume of Spring orders.

Our offer of PREPAYING all shipments providing that 25% is added to the amount of the order, still stands. So many of our customer-friends have taken advantage of this and eliminated all further costs, that we are offering this again by popular demand. THIS OFFER DOES NOT APPLY TO ITEMS FROM THE WHOLESALE LIST, WHICH ARE SOLD STRICTLY ON AN F.O.B. BASIS.

Remember—Send in your order today, as many varieties are bound to be sold out soon.
